ABSTRACT

This unannotated bibliography is divided into four major sections; 1) General Background Readings for Teachers; 2) Approaches and Methods; 3) Materials for the Classroom; and, 4) Sources of Information and Materials. It offers a highly selective list of items which provide wide coverage of the field. Included are items on foreign policy, war and peace, technology and world power, the future, and world survivai. Books, articles, and other materials range from 1965 (one item) through 1971. Section 4, Sources of Information and Materials, is a directory of institutional and printed sources, which is divided into the following sections: Africa, Asia, Latin America, Middle East, Current Issues, Futures, and World Affairs.
